

SP Series Scanners deliver simple operation and reliable performance for professional use

SP-1125

RRP €415

Designed to capture 25 pages per minute (A4 colour, duplex 200/300dpi), the SP-1125 model is intended as a solution for companies seeking to raise their productivity. The SP-1125 helps to support a dedicated, single business function such as scanning to an archive or in a small mailroom. The SP-1125 model comes with the PaperStream IP driver and image enhancement software to ensure high capture quality

SP-1130

RRP €489

Designed to capture 30 pages per minute (A4 colour, duplex 200/300dpi), the SP-1130 model is intended as a solution for companies seeking to raise their productivity. The SP-1130 helps to support a dedicated, single business function such as scanning to an archive or in a small mailroom. The SP-1130 model comes with the PaperStream IP driver and image enhancement software to ensure high capture quality

ScanSnap S1100i

RRP €216

This featherweight champion packs quite a punch. Its weight (350grams) makes it feel almost non-existent in a case, and its dimensions let it fit practically anywhere. Scan all the paperwork you encounter from full-size documents to business cards and receipts and quickly get them out of the way and off your mind. Delivers a snappy 7.5 seconds / page (approximately 8 ppm) scanning speed for color A4 documents at resolutions up to 300 dpi

ScanSnap iX100

RRP €290. SP €222

The iX100 is only 400g in weight even with built-in battery and Wi-Fi connectivity. The compact and light body make it a convenient companion when traveling or on the road. Capture in 5.2 seconds per page. Scan A3 documents: Automatically pairs A4 pages with overlapping content. Productive Win/Mac OS software bundle.

ScanSnap S1300i

RRP €348. SP €311

The portable ScanSnap S1300i provides Windows and Mac users the tools to be productive and paperless anywhere – anytime. Capture 12 pages per minute/24 images per minute and ADF up to 10 pages.

ScanSnap iX500

RRP €638

The scanner that intuitively guides you through every step of the scanning process. Access your documents anywhere and anytime; scan to and view across a range of popular cloud services; wirelessly scan to your iPad® / iPhone® and Android™ devices. A host of automated settings designed for effortless scanning your everyday documents from business cards to A4 and even A3. Scan to: Word, Excel®, E-mail and SharePoint® amongst others. Capture 25 pages per minute (A4 colour, duplex 200/300dpi) and ADF up to 50 pages.
